GRAND TOTAL LOWER 48 1A NOT WITHIN WILDERNESS: 1,541,000

This graphic indicates that in the lower 48 there are 1,541,000 acres of 1A Roadless Area that fall within Designated Areas that may have ambiguous road policy such as Wilderness Study Areas, National Recreation Areas, Wild & Scenic Rivers, ext.

*Where the Designated Area Name field was not complete the 1A polygon name was used.

Only the top three areas from each Designated Area category are labeled on the map as examples.

Note that not all of the "Category 1A Roadless Areas within Other Designated Areas" are shown in the above spreadsheet (Orange) but that the last record contains their total acres. Refer to the attached spreadsheet for a complete list.

Comment field came from IRA Data.
